The revised CSMTM for Lane Plating is attached to this email. Please let me know if your previous comments have been addressed and if you have any additional comments. If possible, I would like to have this document finalized and approved the week of March 4. This way we would have a releasable document before the meeting with Dallas city council members on March 7. Please let me know if you have any comments by March 1.

Subject: Lane Plating - Revision 01 CSMTM

Mr. Shewmake:

Please find attached a copy of the Revision 01 Conceptual Site Model Technical Memorandum (CSMTM). EA will also be submitting one hard copy and two electronic copies on compact disc (CD) to your attention, and one electronic copy (on CD) will be submitted to Ms. Rebecca Storms, Texas Commission on Environmental Quality Project Manager.

Please let me know if you have questions or comments concerning this matter.

Thank You,
Mark Paddack
EA Project Manager
